Ages 6 and up • 10 – 11 a.m.

Join the fun at our Super Summer Series. Pick the program and day that fits your schedule and learn about the wonders of nature. Families, scout and camp groups are welcome. All programs will be conducted in the auditorium. Please call 314-301-1500 for your reservation. Reservations begin May 15, 2015.

Reptiles Rock

Lizards and turtles and snakes, oh my! What makes an animal a reptile? Find out the answers to this question and touch live reptiles in this fun program.

Mammal Mania

Do you think this little animal is cute? It may be, but remember it is wild! We will not have live animals but you will be able to touch mammal pelts and skulls while learning about some of the mammals living in Missouri.

Feathered Friends

Take a close look at a bird's wings, feet, and beak. Learn how these body parts and other adaptations are essential for a bird to survive in the wild! After a short presentation, we will use wings, feet, and beaks to practice bird survival techniques.

Nature: Friend or Foe?

Are you leery about going outside for fear of snakes, spiders, or poison ivy? Well, have no fear. With a bit of knowledge you can easily learn to identify some common outdoor hazards and safely enjoy the great Missouri outdoors.
